PUBLIC UTILITIES COMMISSION

Docket No. 2003-947

February 10, 2004

CENTRAL MAINE POWER COMPANY
Request for Approval of a Special Rate
Contract with St. Lawrence Cement
Company, LLC.

ORDER APPROVING
CONTRACT

WELCH, Chairman; DIAMOND and REISHUS, Commissioners

SUMMARY OF DECISION

By this Order, the Commission approves Central Maine Power Company's (CMP's) proposed First Amendment to its customer service agreement (CSA) with St. Lawrence Cement Company, LLC.

DISCUSSION AND DECISION

On December 29, 2003, CMP filed with this Commission a proposed First Amendment to its CSA with St. Lawrence Cement Company, LLC. Pursuant to Attachment 6, contracts with terms no more than one year beyond the term of the ARP; that are not anti-competitive or unduly discriminatory; that provide annual, usage-sensitive revenues in excess of annual, usage-sensitive marginal costs; and that provide total revenues in excess of the Company's total marginal cost floors plus an adder over the term of the contract, go into effect automatically 30 days after they are filed. This contract amendment complies with the provisions of the ARP and would have been effective automatically on January 29, 2004. However, the Company has requested that it be effective by the January 15, 2004. In order to become effective on this date, this contract requires Commission review and approval.

We have reviewed the contract and find that there is no significant risk to CMP's other customers as a result of this Agreement. Therefore, we will allow the CSA to go into effect on the date requested by CMP.

Accordingly, we

O R D E R

That the Customer Service Agreement with St. Lawrence Cement Company, LLC, filed by Central Maine Power Company on December 29, 2003, is hereby approved and may become effective as of January 15, 2004, as requested by the Company.

Dated at Augusta, Maine, this 10th day of February, 2004.
